SUBJECT: LITHUANIA SUPPORTS BROAD SANCTIONS ON IRAN

REF: STATE 67462

We delivered reftel points to Martynas Lukosevecius, Attache in the MFA's Arms Control, Non-proliferation, and Disarmament Division, on May 21. He said the GOL agrees that broad and consistent sanctions are necessary to send the correct message from the international community to Iran. He added that the combination of EU and GOL regulations is quite comprehensive. He said the GOL submitted a report on UNSCR 1737 within the last several months and they will prepare another one for UNSCR 1747 by the May 24 deadline, as required.
